

Free Clinical Assessment Offer

- The free clinical assessment offer is available to new patients who have not completed a clinical assessment with Verve Health Group within the previous 6 months.
 - The offer applies to the assessment consultation only and does not include the cost of any prescribed medication, treatment package, delivery charges, or additional services.
 - Completion of a clinical assessment does not guarantee eligibility for treatment or a prescription.
 - All prescribing decisions remain subject to a clinician's assessment and suitability in accordance with prescribing guidelines.
 - The offer is non-transferable, cannot be exchanged for cash, and may not be used in conjunction with any other promotion unless otherwise stated.
-

Returning Patient Offer

- This offer is available to eligible former patients of Verve Health Group who have previously discontinued treatment.
 - Advertised monthly prices are based on the purchase of a 3-month treatment package and may not be available for shorter treatment durations.
 - Package prices must be paid in full at the time of purchase unless otherwise agreed.
 - Medication remains subject to clinical review and prescribing suitability.
 - Previous treatment does not guarantee eligibility to restart medication.
 - The offer cannot be used in conjunction with any other discount, promotion, referral reward, or loyalty scheme unless expressly stated.
-

Patient Referral Scheme

- Referred patients will receive 15% off their initiation 3-month treatment package only.
- Referral rewards will only be applied after the referred patient has commenced treatment and paid for their initiation package.
- The referrer discount will be applied to the standard advertised package price at the time of purchase.
- Only one referral reward may be applied per treatment package purchase unless otherwise stated.
- Referral discounts cannot be used in conjunction with any other offer, promotion, discount code, or loyalty scheme unless expressly agreed by Verve Health Group.
- Referral rewards have no cash value and cannot be exchanged for cash, credit, or transferred to another individual.
- The referred patient must be a new patient who has not previously received treatment through Verve Health Group.
- Medical treatment remains subject to clinical assessment and prescribing suitability. Referral rewards do not guarantee eligibility for treatment.
- Verve Health Group reserves the right to withdraw, amend, or refuse the referral scheme at any time where misuse, fraud, or non-compliance with these terms is suspected.
